Public Information Meeting

NHDES to Discuss Status of Negotiations with Saint-Gobain Performance Plastics Related to the Presence of PFOA in Drinking Water Wells

Concord, NH – The New Hampshire Department of Environmental Services (NHDES) in coordination with the Towns of Bedford, Merrimack and Litchfield invite the residents of those towns to a Public Information Meeting to be held in Litchfield to discuss the status of negotiations between NHDES and Saint-Gobain Performance Plastics related to the presence of perfluorooctanoic acid (PFOA) in drinking water wells. There is potential for discussion of a major announcement at the meeting.

Meeting Information:

Litchfield:

Wednesday, March 21, 2018 6:30 p.m.

Campbell High School auditorium

1 Highlander Court, Litchfield, NH 03052

For more please contact Jim Martin, NHDES Public Information Officer at 603 271-3710.
